

Chelmsford & District Pool League

2011 / 12 Winter Season

AGM & Team registration

Our AGM and team registration will be held on Thursday 28th July at the Black Bull. The AGM will commence at 8pm sharp with team registration to follow immediately after the AGM has closed. **Note:- It was voted in at last year's AGM that a representative from each team MUST attend the AGM. Any person attending will only be able to represent one team.**

No monies will be taken for team registration until the AGM is closed. When registering your team you will need to hand in the form on page 2 duly completed.

If you have any proposals you would like discussed at the AGM they should be emailed to trevor.aylward@homecall.co.uk by 11pm on Thursday 14th July. This will enable enough time to prepare the agenda and distribute to the various team captains.

All teams who competed and completed in the 2010 / 11 winter season need only turn up on the aforementioned date. Any teams that did not compete or complete the 2010 / 11 season, need to send an email to trevor.aylward@homecall.co.uk to register their intent, as well as turn up on the 28th July for the team registration. Names will be entered onto a list in the order in which they were received. The higher up the list your team is, the more chance you have of getting your team in! If you are unable to send an email, you can call 07877 214043 although email is the preferred method. An acknowledgement will be sent to all emails received.
