

Chelmsford & District Pool League

2011 Summer Pool League

Welcome to the Chelmsford & District Summer Pool League.

We will be taking team registrations over the forthcoming weeks for the 2011 summer league. You may register your team by paying the entrance fee, £40.00 to any committee member. The final opportunity to enter will be at the committee meeting held at the Black Bull on Thursday 12 May. You will have to pay / register between 8 & 9pm. We will not be able to accept entries after 9pm as we will be forming the league.

We hope to have a minimum of four divisions of eight teams.

With this in mind, any of the 29 teams who completed the summer league last year are guaranteed a place by paying by the deadline. All new teams will go on a reserve list ordered by payment date / time. Assuming all 29 teams from last year register, there will be 3 places available to the new teams. Should there be enough new teams to create a further division then of course this will be done. Any new team failing to secure a place will have their payment refunded.

The league will be formed and published / distributed by the 19th May. The anticipated date for week 1 is Wednesday 1 June.

Good Luck!

Committee Members

Trevor Aylward – Tulip C

Nigel Ross – Woolpack A

Dan Seymour – Flyer B

Paul Karcheski – Oddfellows

Rory Strong – Chelmsford Pool Club A

Mark Marshall – Black Bull B

Please note:- When making payment to a committee member make it clear whether you are a new team or one that competed in summer 2010. This is especially important if your team has changed venue. For example, previously The Marsham Arms decided to play out of the Kings Arms. Also if the venue is entering two teams where there was only one last year, then it must be made clear which is the new and which the existing team is. Please make sure you get a receipt stating the date and time of payment from the committee member taking your money. If you are a new team then this determines where you are on the reserve list.
